

Library plugin: To user

Library users can be teaching staff, researchers, employees, students and other categories of Limited liability company (LLC) IMU, educational institution (EI) IMU, Medical and Pharmacy College (MPC), Avicenna Medical Clinic. Third parties are not eligible for library services.

The user of the library is served in accordance with the Rules for using the library.

Registration to the library is performed in the Subscription department according to the following requirements;

- students presenting a passport, student ID and photo card 3x4;
- The teaching staff and employees upon presentation of a passport, a certificate from the personnel department of the IMU on confirmation of the main place of work and a 3x4 photo card.

Books are issued at the library subscription with the right to take them home for a period set by the library, also for classes directly in the reading room.

Books issued to users must be returned on time, otherwise penalties will be imposed according to the price list of penalties (annex to the Library Use Rules).
